

Burton Pidsea 10k
Sunday 21 June 2009
Report by Kay Farrow of Beverley Athletic Club

While most members of Beverley AC were resting after a hectic schedule of races, a small group was in action again last Sunday at the Burton Pidsea 10k. Although only seven Beverley runners took part in the race, the club was still represented in the prize list.

Diane Coleman was first in the LV45 category. Since joining the club last year Diane has become a regular competitor in local races. This is the second award that she has received recently, having won second prize for her age group in the recent Goole River Bank Challenge.

The race was won by Pumlani Bangani of Salford in 32.41 and the first lady to finish was Carol Wolstenholme of East Hull Harriers in 43.16.

Beverley results: Mark Dawson 40.46; Corey Arnott 41.28; Jordan Arnott 42.06; Diane Coleman 50.19; Deborah Brant 52.27; Jacqui Dickinson 59.47; Elaine Julian 61.32.
