

B&A Scaffolding Fun Run
Sunday 13 May 2012
Report by Kay Farrow of Beverley AC

While runners in the 10k were gathering at Beverley Leisure Complex before the main race nearly 250 fun runners lined up on the field at the start of the B&A Scaffolding Fun Run.

There were fun runners of all ages including 20 juniors from Goole Viking Striders and 16 from Beverley AC Juniors, a pack of 13 from Nafferton Brownies and the mums, dads and grandparents of the youngest runners. They were joined by Bertie the Beaver and Roary the Tiger who encouraged them all round the 2km course.

The race was won by an unattached runner, Sam Dickinson (left), in 8:22. He finished 12 seconds ahead of second placed Luke Reynolds of Goole Viking Striders who won the race last year. Jack Brothwell of Kingston-upon-Hull AC was third in 8:47. Beverley AC Juniors Oliver Cockerill, Conor Spilsbury and Taylor Arnott filled the next three places.

The first three girls to finish were all from Beverley AC Juniors. Lauryn Garwood was first in 9:37, followed by Dayna Arnott in 9:50 and Kelly Dawson was third in 9:56.

The mild sunny weather and crowds of spectators created a great atmosphere and all 246 finishers seemed to thoroughly enjoy the simple pleasure of running.
