**Report by Lewis Holloway of Beverley AC**

With the clocks going back last weekend, runners tackling the 27<sup>th</sup> Haltemprice 10k on Sunday had an extra hour in bed to rest in preparation for their efforts. Eighteen Beverley AC members joined a total of 284 athletes at Haltemprice Sports Centre, Anlaby, to run the 6.2 mile course on a very windy but warm day. Haltemprice is not an easy course, with the first 4 miles being uphill and into the wind. The reward is that the last two miles are downhill.

Beverley's female runners demonstrated their strength again in this race with some impressive running, winning crystal vases and bowls. Laura Egan was the first of Beverley's women to cross the line and take 3<sup>rd</sup> place in the women's race in 42:51. Samantha Allen was second in the FV40 age group, in 47:05, while Jayne Dale (FV50) and Pam Atkins (FV65) won their respective age groups in 47:28 and 57:58.
