

**Humber Bridge 10k and Fun Run  
Sunday 6 June 2010  
Report by Kay Farrow of Beverley AC**

Three generations of the Robinson / Glover family took part in the Humber Bridge 10k and fun run last Sunday.

Seven year-old Aidan and four year-old Erin Glover were joined by their dad, Alan, and their grandmother, Denise Robinson, in the fun run, while their mum Nicola Glover and granddad, David Robinson, competed for Beverley AC in the 10k.

The children were delighted with their medals and proudly cheered on their mum and granddad as they finished the 10k together in a dead heat.

After a hot sunny day on Saturday, conditions on Sunday morning for the 10k were perfect – cooler temperatures with a slight breeze and gentle drizzle. Over 300 runners crossed the bridge in the annual event which is organised by City of Hull Athletic Club.

The race was part of the Beverley AC handicap series and it was Jackie Wright who won the handicap this time. Wright has made significant improvement recently and her win was well deserved. Second in the handicap was Eddy Moore whose rivalry with third-placed Nicola Glover took them both to better performances.

Steve Peacock was again the first Beverley runner to finish. He was 7<sup>th</sup> overall and was awarded first prize in the 45 – 49 age group. Peacock is enjoying his best form for six years and is picking up prizes regularly.
