

Beverley Juniors lead the way in the heat at Withernsea 5

Report by ANDREW GRAINGER

A strong Beverley AC representation of 24 runners was headed by Beverley Juniors in very warm weather at the Withernsea 5 mile road race on Sunday. The only slight respite from the heat was a slight breeze on the Sea front, with mile 4 combining a gentle incline with a noticeable rise in temperature, which slowed a good number down.

The junior section of the club goes from strength to strength; 8 took part, all achieving very creditable times. 3 were in the top 40, including Harry Powell (right), who was 7th overall and was the first runner from the club to finish in an impressive 29:10. Curtis Arnott made a personal best of 33:41.

Other notable achievements belonged to Jayne Dale and Tanwen Gray. Jayne was 1st in the F50 category in 35:58 and Tanwen was 1st in the F35's in 37:32. Both ladies have been showing great form this year.

Prior to the main race, the 3k run was strongly dominated by the juniors again, who took 1st, 2nd and 3rd girls and 1st and 2nd boys prizes.
