APOLOGIES: Lucas Meagor Mike Blamires

	<u>ACTION</u>
1. Running Events: <u>Bev 10k/Walkington 10k</u> - MC asked about the use of pacers next year for Bev 10k– this will dependent on marshals. Discussion around change of Bev 10k Fun Run Route. Walkington Fun Run had runners with no numbers and a concern that those who had entered correctly would not get medals – must be made clear before the start that no number – no insurance no medal. Discussion around handing Bev 10 k numbers on the day and option of collecting on the Saturday. Aware that this may add to Race Director workload. Discussion around T shirts, given very late arrival of Walkington. Further discussion around T shirts and design - SA to approach PA if he is willing to take on T shirts (sourcing, design, sizing etc) as this is something he would 'relish' thus allowing race director to focus on race organisation. - Westwood Relay – AJ has marshals. Currently 35 adult runners. Food at the Golf Club at 7.30. RR will collect tape etc. FO will provide first aid equipment.	 JDu AJ
2. Handicaps. none	
3. Social/non-running club events. None - Millington very successful. Next away night is Newbald – food will be £2. - Awards night – DJ to be booked cost around £250. - Junior Awards – the senior club will support cost at, at least previous levels.	
4. Admin Issues – mainly from 2019 AGM - Results round up – discussion around qualifying races for awards for full members only. SW has to trawl races for members but if 2nd claim members run for 1st claim club then they are difficult to identify. Agreed that for awards relating to qualifying races (excluding club handicap races) should be for 1st claim members only. SW would also like to link with DR as he also checks races for members results. The website will also need to be updated to reflect the decision. - MC – new photos will go on the front of the website and races are being updated chronologically. MC is also looking into some copyright issues. - Discussion around medal engraving – only an issue of we have a medal – SA has a contact.	
5. Finance. Current balance of £45k.	MB
6. Membership Continues to rise. Currently 238, including 20 juniors, 8 second claim, 8 social.	
7. Kit & Equipment Discussion around the use of H&K embroidery to widen availability and range of kit.	NB
8. Cross Country Welcome to SA and thanks for taking on the role. The committee trusts SA's judgment for X-county committee meetings.	SA
